Richard,

The attached report is from the project-level review being conducted on all reports submitted for Dimock. I'll leave it up to you whether you want to respond directly or send thru me. **Ex. 4 - CBI** is the SERAS contractor working with John Gilbert and Kelley Chase (OSCs responsible for data management).

If you do respond directly please cc: me.

More to come (but I think they all say about the same thing).

Thanks,

Cindy
